

Beyond the Blueprint

As of June 15, 2021 all sectors listed in the current Blueprint and Business Tier Chart may return to usual operations (with the limited exceptions noted below for Mega Events based on the general public health recommendations below).

Effective March 1, 2022: Masks are required for all individuals in certain settings, regardless of vaccination status. Masks are *strongly recommended for all persons, regardless of vaccine status*, in indoor public settings and businesses.

Updated: Mega Events: characterized by large crowds **greater than 1,000 (indoors)** and **10,000 (outdoor) attendees**. May have either assigned or unassigned seating, and may be either general admission, or gated, ticketed and permitted events.

Guidance is continually assessed and subject to change.

Prepared by Environmental Management Department: Revised March 23, 2022

Summary of Revisions:

6/11/2021: <https://www.gov.ca.gov/wp-content/uploads/2021/06/6.11.21-EO-N-07-21-signed.pdf> Governor ends Blue Print for a Safer Economy effective June 15th.

6/14/2021: Initial version

6/15/2021: Updated with new guidance from CDPH. Removed CDPH Travel Advisory, added section for Child Care, updated links for COVID19.ca.gov, added links for face covering, added links for school guidance and links for day camps.

6/16/2021: Updated CAL OSHA Draft June 17th ETS, Added Beyond the Blue Print: What does it mean flyer link, Vaccine Records and Documentation, CA Readiness Equity Strategies, Host a Vaccine Clinic, Vaccine Guidance links

6/17/2021: Added CDPH Guidance and Standards for Vaccine Records

6/21/2021: Updated CAL OSHA Adopted June 17th ETS section.

7/22/2021: Updated for Youth Sports and Day Camps. Added new link in Schools to Safe Schools for All Hub.

7/26/2021: State Health Officer Order: Health Care Facilities – Health Care Facilities: must track vaccination status of workers – proof of vaccination if not proof, considered unvaccinated; testing requirements: <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Order-of-the-State-Public-Health-Officer-Unvaccinated-Workers-In-High-Risk-Settings.aspx>

7/28/2021: Added wording Sacramento County Health Office strongly recommends masking indoors for all individuals regardless of vaccination status. Added link to CDC for Youth Sports.

7/29/2021: Sacramento County Public Health Order issued, effective 7/30/2021 at 12:00am. Added row with SCPH information and links to PHO. Removed sections for vaccinated vs. unvaccinated and making requirements. Indoor mask mandate and mega events language are addressed in this order.

8/5/2021: <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Order-of-the-State-Public-Health-Officer-Health-Care-Worker-Vaccine-Requirement.aspx> State Health Officer Order: **Requires all workers in health care facilities to be receive their first dose of a one-dose COVID-19 vaccine regimen or their second dose of a two-dose COVID-19 vaccine regimen by September 30, 2021.** . There is an exemption process for those with religious or medical exemptions. Those who meet the requirements of exemption must wear a surgical mask or higher-level respirator at all times while in the facility and must test weekly. Full compliance is required by September 30, 2021.

8/9/2021: Updated link title for Guidance for the Use of Face Coverings –guidance was updated 7/28/2021. Added link for CDC Travel Guidance and removed link for Travel Advisory. Added requirements for face coverings/masks to Mask Guidance section. Added link for State Public Health Officer Order, dated 7/26/2021. Removed link for outdoor and indoor youth recreational youth sports. Guidance is pending. Added text to many sections that reads: **Sacramento County Public Health Order**, dated 7/29/2021, directs face coverings be worn, regardless of vaccination status, over the mouth and nose, in all indoor public settings, venues, gatherings, and workplaces, such as, but not limited to: offices, retail stores, restaurants and bars, theaters, family entertainment centers, conference centers, and State and local government offices serving the public. This may conflict with guidance below and in these cases, the requirements of the Sacramento County Public Health Order supersedes.

8/11/2021: State Health Officer Order: Requires all school workers vaccination status must be verified. Also covers testing requirements. <https://www.cdph.ca.gov/Programs/CID/DCDC/Pages/COVID-19/Order-of-the-State-Public-Health-Officer-Vaccine-Verification-for-Workers-in-Schools.aspx>

8/16/2021: Added section for performing arts (link to specific industry guidance), updated recommendations for schools, and added school guidance links.

8/18/2021: CDPH released updated Guidance for Mega Events (indoor and outdoor).

Summary of Revisions:

8/23/2021: Updated requirements for Mega Events (indoor and outdoor). Lessened attendee number to 1000 for Indoor Mega Events. Added requirement for verification of vaccination status or negative tests for Indoor Mega Event and strong recommendation for verification of vaccination status or negative test for Outdoor Mega Event. Added updated timeline for requirements from September 20, 2021 to November 1, 2021 and will be assessed on October 15, 2021.

9/7/2021: Added links to Sacramento County Public Health Supplemental K-12 Guidance.

10/8/2021: Added CA Public Health Order for vaccination requirement for Adult Care Facilities and Direct Care Workers. Added SCPH Teleconferencing Recommendation to meet Brown Act.

11/18/2021: Removed end date of 11/1/2021 and added that requirements may change as CDPH continues to assess conditions on an ongoing basis. Added, beginning December 1st, all attendees age 18 and older must provide identification to confirm the individual presenting proof of vaccination or negative test is the attendee entering the facility or venue. Corrected broken links.

12/06/2021: Added wording that children under 2 are exempt from the testing requirement for outdoor/indoor Mega Event sections. Also added the definition for pre-entry negative testing to indoor/outdoor Mega Event sections.

12/15/2021: CDPH issued requirement for use of masks in all indoor public settings from 12/15/2021 through 1/15/2022. Updated Mega Event guidance (effective 12/13/2021) to include a shorter time period for unvaccinated attendees at indoor mega events (72 hours to one day for antigen tests and within two days for PCR tests prior to entry). Updated California Travel Advisory (effective 12/13/2021) – previously CA did not have advisory and only followed CDC recommendations. Advisory recommends arriving in/returning to CA to be follow CDC guidelines, should test 3/5 days upon arrival and if symptoms develop, isolate and follow public health recommendations. Updated guidelines for Public Health recommendations for fully vaccinated people

12/27/2021: The June 17, 2021 is still in effect but will be updated for investigating and responding to COVID-19 cases in the workplace, face coverings, testing and exclusion, return to work criteria and definitions. These updates will be effective January 14, 2021.

12/28/2021: Updated Health Care Worker Vaccine Requirement (12/22/2021) which requires these workers to be fully vaccinated and boosted by 2/1/2022.

1/11/2022: Added Sacramento County Public Health Order dated 1/6/2022 for virtual meetings. Lowered threshold for Indoor Mega Event to 500 attendees and Outdoor Mega Events to 5,000 attendees. Removed section titled “COVID-19 Public Health Recommendations for Fully Vaccinated People” – this guidance is no longer in effect. Added section titled “Guidance for Local Health Jurisdictions on Isolation and Quarantine of the General Public”. Updated guidance for Visitors in Acute Care and Long Term Care Settings and Requirements for Visitors in Acute Health Care and Long-Term Care Settings. Updated Guidance for Face Coverings to be in effect until February 15, 2022. Removed Day Camps and Overnight camps. Added local information for Youth Sports (no masks for some sports). Removed section for Public Health survey for vaccination clinics. Updated Places of Worship to allow for recommendation only for masking indoors for vaccinated individuals.

2/8/2022: Updated requirements for Visitors in Acute Health Care and Long-Term Care Settings (indoor visitation allowed without negative test result for vaccinated visitors), Adult Care Facilities and Direct Care Worker Vaccine Requirement (extended effective date to March 1, 2022), Health Care Worker Vaccine Requirement (extended effective date to March 1, 2022). Update Mega Events to previous levels of 1,000 (indoor) and 10,000 (outdoor). Updated CDPH guidance for masking – effective 2/16/2022, masks only required in certain locations for vaccinated people and unvaccinated people required to mask in all indoor public locations. Removed guidance from CDC for Safer Activities – no longer being updated. Updated Restaurant/Bars/Distilleries for ABC COVID guidance – Ninth Notice of Regulatory Relief.

Summary of Revisions:

2/16/2022: CDPH Guidance for the Use of Face Coverings updated for universal masking only in specified settings and only unvaccinated persons are required to mask in in all indoor public settings. Fully vaccinated are recommended to continue indoor masking when the risk is high. Updated Mega Events to increase thresholds (1000 for indoor and 10,000 for outdoor). Removed links for Sacramento County Public Health Orders, these have been rescinded.

3/1/2022: CDPH Guidance for the Use of Face Covering updated to strongly recommend universal masking indoor spaces. Schools and child care will be removed from the list of indoor spaces where masks are required for all individuals as of 3/11/2022. Updated effective date for Adult Care Facility and Direct Care Worker Vaccine Requirements Public Health Order and Health Care Worker Vaccine Requirement Public Health Order to 2/22/22. Removed masking requirements for workers (ETS), guidance for youth sports, and updated guidance link for schools.

3/23/2022: Updated Mega Events to strong recommendation to require proof of vaccination or negative test for Indoor Mega Events (previously was required). Removed CDPH Travel Guidance and replaced with CDC recommendations.
